

## SURGICAL HOPE FOUNDATION SCHOLARSHIP

---

In 2010, Dr. Lionel D. Meadows and his wife, Kathryn, established Meadows Surgical Arts in Commerce, GA: a medical practice providing a welcome blend of cosmetic surgery, vein surgery, gynecological care, and primary care in a personal, private, and inviting atmosphere. Dr. Meadows was quickly recognized in North Georgia for his patient care and excellent cosmetic outcomes. Dr. Meadows expanded his thriving cosmetic surgery practice by opening a second location in Buford, GA in 2014, followed by a third location in Monroe, GA in 2022. Dr. Meadows passed away in 2023. While we mourn the loss of our beloved friend, mentor, and inspiration, a brilliant surgeon and doctor who touched the lives of so many with his kindness and passion for delivering exceptional patient care, Kathryn Meadows is continuing the legacy of excellent patient care that Dr. Meadows took such great pride in providing.

Dr. and Mrs. Meadows chose to give back to the community by establishing a non-profit foundation, the Surgical Hope Foundation, to provide outpatient surgical services at no charge to those in need. Foundation funds and services are available to qualified individuals who are unable to afford medical insurance and who are not eligible for federal or state programs.

Kathryn Meadows is passionate about education and is pleased to offer \$1,000 scholarships through the Surgical Hope Foundation to graduating seniors who are planning to enter the medical field. Scholarships will be awarded to one student chosen from each of the following high schools:

- Banks County High School
- Franklin County High School
- Georgia Cumberland Academy
- Habersham Central High School
- Jackson County High School
- Stephens County High School
